## Shelf Edge Labels

The CS3000 also gives you the option to print your shelf edge labels from your laser printer.

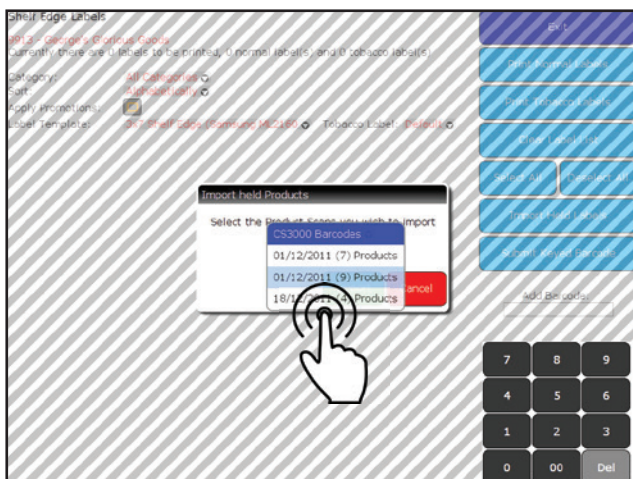

**1** Press **Other Functions** and **Products and Prices**. Go to **Shelf Edge Labels**.

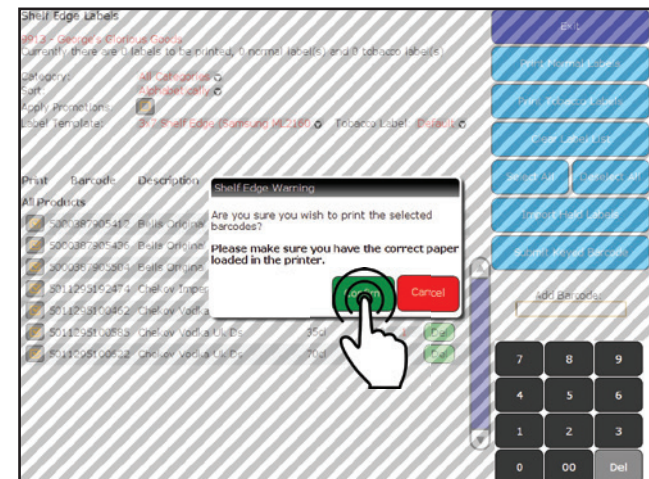

**2** Press **Import Held Labels**.

**3** A drop down box will now appear to select your order. Click **Import**.

**4** Select your printer from the **Label Template** option and press **Print Normal Labels**.

**Still unsure? Expert UK support is available:**
